

## What is Shared Living?

Shared Living is the key to...

- Companionship
- Affordability
- Independence
- Safety

*A place to call home.* Shared Living provides an affordable home for Maricopa County residents 60 years and older. The program, which promotes total independence, was initiated in 1988 with the building of several homes in northeast Tempe.

## Shared Living is for you!

You will enjoy a home with;

- Fully furnished living room, dining room, and laundry area
- Completely equipped kitchen, including dishwasher
- Raised gardening area
- Your own private bedroom

Safety features in each house include:

- Three bathrooms with grab bars (one is handicap accessible)
- Emergency call buttons
- 24 hour/7 day a week monitored security system
- Smoke alarm in each room
- The comfort of knowing your housemates are there

*We're free to come and go as we please, eat what we want and do what we want. We enjoy the privacy of our own room too. It's home.*

— 2 year resident

Your private bedroom features:

- Overhead ceiling fan and light
- Full-size closet
- Phone jack
- Your own patio
- Space for your belongings and personal touch

*This house is the best thing that ever happened to me. I could never live like this on my own.*

— 7 year resident
